Spring 2009 Handbags

Martha Clifford, the North Carolina based designer of the ultra-chic **M. Clifford handbag collection** has always been inspired by high fashion and luxe materials. At a young age, her mother taught her that she could possess something truly unique and one-of-a-kind simply by designing it herself. As a result, she learned how to sew and indulged her creative side through designing and making clothes.

The Terrell in Semola

North/South Tote in Italian leather. Interior: Signature Red Suede with cell phone, PDA, and large zippered pockets. Size: 14 1/2"H X 14 1/2"W X 3"D.
\$475

In 2000, Martha sold her successful catering business and got back to what she truly loved: fashion. Her passion for **fine Italian leathers** led to the creation of a small group of handbags that were immediately snapped up by friends and family. When the demand became even greater, Martha realized she was onto something and from there she developed a full-fledged collection, which she began producing in New York City.
