Introducing m. Clifford Designs handbags at the BagTrends Arm Candy Party, Sept 22 NYC: BAGTRENDS

Dear Bagistas,

Only 3 days left until our big, bag-a-licious [BagTrends Arm Candy Party](#). I just got word that one of our designers, [m.clifford design](#), will do a raffle where you can win their Meghann satchel in navy. I have seen this bag in person - and actually used it for a photoshoot in

Success for Women Magazine (more on that next month) - and I'm in love.

The spacious dimensions on [Meghann](#) make it a great weekender bag, ideal as a carry-on, and suitable for work if you need to carry a lot of stuff. You'll love the lux red suade lining - an m.clifford signature - and a surprising feature given that the bag retails under

\$500. I'm not saying that's cheap, but MOST bags that do have the suede lining, the custom hardware and the craftsmanship you see in

Your source for all things bags!

Meghann retail for much more. And, did I mention pockets? Meghann has pockets galore!!

At the [BagTrends Arm Candy Party](#), the designer behind m.clifford handbags, [Martha Clifford](#), will be on hand to present her full line to the lucky bagistas in attendance. Aside from Meghann, I have my eye on the Terrell tote - as seen on *What Not To Wear*. I'm always on the hunt

for the perfect non-laptop, laptop bag and Terrell, with it's wide opening (thank you! the zipper doesn't just go side-to-side, but over both edges of the bag) and long and wide shape, is just right.

I can't wait to meet Martha at the event. Hope to see you there too ;)

Have a bag-a-licious day!
